

IHSA Boys' Top Times List

Attention: This list will not be used for ISI proof of time! In order to create a list which may be used for ISI proof of time we are keeping 2 separate lists. One with Conference, Sectional and State times which are eligible for ISI proof of time (yes even the IM and backstroke) and one list of regular season best times. A third list, contained on the next several pages, combines these 2 lists. This list reflects all times we have received this season. The list which contains only Conference, Sectional and State has been sent to ISI to be used for Proof of Time for State Senior Champs, Regional Champs and Illinois Age Group Championships. The Conference, Sectional and State times may NOT be used for NRT (Top 16) or qualifying for Nationals, Junior Nationals or Top 10 times in Illinois. Sectionals and State results that may be used for these purposes must be "observed" . To have times count for National meets you must apply to ISI to have them counted within 2 weeks of the meet. Application is on the ISI website.
